Permission to Opt Out of Face Covering Requirement

The Governing Board of the Litchfield Elementary School District has adopted health and safety protocols for the 2021-2022 school year that require face coverings for all students and adults while inside any LESD school or facility. A full copy of the health and safety protocols can be accessed in the Plan for Reopening on the COVID page of our website at www.lesd79.org. You may also ask your school administrator for a written copy.

The [Center for Disease Control and Prevention](https://www.cdc.gov) (CDC) recommends universal indoor masking for all teachers, staff, students, and visitors to K-12 schools, regardless of vaccination status.

By signing below, you are expressly stating that you are choosing to opt your student out of the Litchfield Elementary School District's face covering requirement.

Face coverings on school buses are required based on a federal mandate; there is no option to opt out.

Please email completed forms to parentvue@lesd.k12.az.us. Contact your school administrator with any questions.
