*Connect, Educate, Empower our LESD Family and Community*

July 2022

Dear Parent Advisory Council,

Welcome to a new school year and thank you for choosing the award-winning rated Litchfield Elementary School District. We are honored to partner with you in support of our 16 schools in four cities (Avondale, Buckeye, Goodyear, Litchfield Park).

With more than 11,000 students and nearly 1,400 employees, your important role as a campus leader is crucial to our success. Schools cannot do it alone; we need your help to achieve educational excellence. We value you as an extension of our staff to help your school community flourish. I trust that you will partner closely with your principal, office supervisor, and school staff to strengthen connections, communicate frequently, and celebrate the inevitable successes that you will achieve.

**I urge you to prioritize teacher and staff recognition all year long!** Despite a global pandemic and national teacher shortage, Litchfield Elementary School District continues to earn strong results on its annual staff satisfaction survey. Our teachers and staff love their school families – and we owe you a debt of gratitude for honoring their important role in the lives of our students. Your support helps us retain our valued staff members. Thank you for demonstrating gratitude for our staff and teachers who are so deeply committed to your children.

Please be proactive about connecting with our new Director of Community Relations, Sam Nuanez. He is enthusiastic about helping you reach your goals and celebrating your success throughout the growing Southwest Valley. He can be reached at [nuanez@lesd.k12.az.us](mailto:nuanez@lesd.k12.az.us).

We admire your leadership, appreciate your hard work, and value your crucial role at Litchfield Elementary School District. We look forward to partnering with you for an excellent school year!

Your partner in education,

Jodi Gunning, M.Ed.  
Superintendent

## **ANNUAL AUDITS**

- 1) Annual audits should be performed by a neutral entity at the end of the school/fiscal year. This would be someone who is NOT an officer and who does not have direct control over the financials for the organization. A copy of the audit form should be submitted to Litchfield Elementary School District Office along with a copy of the most recent tax return. The sample Internal Audit Report Form can be found on page 14. It is recommended that all parent organizations use the Audit Report Form to show the accounting of all funds raised to support students and staff.

## **BANKING**

- 1) Bank accounts should be in the full name of the organization (e.g. Barbara Robey Elementary PTSA) and should have a Federal EIN (Tax ID #).
- 2) Checking accounts must have two authorized signers. The president and treasurer are the recommended signers. Debit/credit cards are strongly discouraged. If parent organizations should choose to have a debit/credit card, best practices should be followed strictly to ensure that no fraudulent behaviors take place. District employees cannot be a signer on a checking account and cannot have any cash-handling or financial management duties.

<u>Document</u>	<u>Month Due</u>
a. Request for Board Recognition	July
b. Articles	July
c. Audited Report	July
d. Balance Sheet	July
e. Insurance Certificate*	July
f. Fundraising Request Forms	July and ongoing
g. By-Laws	July
h. Income Statement (year to date)	November, if over \$25K
i. IRS/EIN Letter	July
j. Copy of Tax Return	November

\*Any parent organization utilizing District insurance (rather than its own insurance) must provide all accounting records to the District.

## DISTRICT POLICY ON ADVERTISING IN SCHOOLS AND PUBLIC SOLICITATION

- 1) Use [BoardDocs](#) (LESD website, Governing Board section) to view all LESD policies.
- 2) See attachments from District Policy Manual on pages . See Governing Board Policies KHA Public Solicitations in Schools and KHB Advertising in Schools on pages 18-20.

## USE OF FACILITIES

- 1) Parent organizations must reserve facilities for every parent organization activity on school grounds. This is done in [ML Schedules](#) for all Use of Facilities requests. The parent organization's Certificate of Insurance is required in the minimum amount of \$1,000,000. **"Litchfield Elementary School District No. 79, Employees, Governing Board and Agents, 272 East Sagebrush Street, Litchfield Park, AZ 85340"** must be listed on the Certificate of Insurance as additional insured.
- 2) Examples of activities that require reservations via ML Schedules are parent organization meetings, parent organization Board meetings, fundraisers, book fairs, multi-day activities, family nights, etc. Reserving facilities via ML Schedules eliminates scheduling conflicts with other school activities and outside groups that rent the facilities. This also ensures that lights, door locks, and room temperature controls will be coordinated.
- 3) Event set-up/clean-up time should be considered when reserving facilities. For example, a Family Bingo Night that begins at 6:00 PM should reflect an earlier start time on ML Schedules to allow for set-up time.

## FUNDRAISING

- 1) Fundraising/Food Incentive Request Forms are presented to the Governing Board for acknowledgement.
- 2) Fundraising/Food Incentive Request Forms are required for all parent organization fundraisers, whether or not a profit will be made, including non-cash donation drives (e.g. paper, water, coats, blankets, canned food, etc.). Fundraising/Food Incentive Request Forms are required when money is collected for reasons other than fundraising such as non-cash donation drives. In these instances, the **Dollar Goal** line should reflect \$0. An affiliated student group, such as Student Council or NJHS, might sometimes submit the Fundraising/Food Incentives Request Forms; this should be coordinated at each school. One form per school is sufficient.
- 3) Categorize the fundraising activities as a) fundraiser or b) non-cash donation drive on the Fundraiser or Food Incentive line - and describe the activity. Examples include:
  - Yearbook
  - School Pictures
  - Book Fair
  - Fun Run
  - Spirit Gear
  - Redemption Programs (e.g. Box Tops, Fry's, Safeway, etc.)
  - Restaurant Nights
- 4) Coin wars or tip jars are permitted as a fundraising activity for parent organizations providing they adhere to the following:
  - No coin collection jars are placed in classrooms.
  - It is recommended that all funds are counted and logged at the end of each day of the activity.
  - Coin collection jars are put in a secured location at the end of each day or at the end of the activity if the activity lasts only one day.
- 5) Fundraisers in partnership with student groups (e.g. Student Council, NJHS, sports teams, etc.) entitle the student group to a percentage of the total sales based on the effort put forth by the student group. This percentage is determined by the amount of work that the students will do as a part of the fundraising effort and should be agreed upon by all parties.
- 6) Funds should only be collected from students for the following activities: Spirit gear, PE uniforms, school pictures, yearbooks, or parent organization fundraisers such as professional sporting event ticket sales. Monies for these activities may be collected only if it is strictly a parent organization effort. It cannot be co-mingled with District activities.
- 7) Food fundraisers (e.g. Jamba Juice, Orange Leaf) may be held 30 minutes before or for the first

30 minutes after school. Fundraisers may not be held during school lunch periods. All food sales must meet [Smart Snack requirements](#). Once 30 minutes after school has expired, parent organizations may sell any food; it does not have to meet Smart Snack requirements.

- 8) Funds from all vending machines (soda/water/snacks for staff and/or students) benefit the parent organization. The District cannot accept these payments.
- 9) Take credit for your hard work by identifying the sponsoring parent organization on all advertising materials. All flyers and event posters must state: "Sponsored by [organization name]."
- 10) IRS rules mandate a non-profit be established for at least five years in order to be eligible to conduct raffle-based fundraising activities. Please see the State statute ARS 13-3302(B) on page 23.

### **GIFTS, GRANTS, AND BEQUESTS**

- 1) [Gifts, Grants, and Bequests Forms](#) (page 16) must be submitted for all donations of any amount/value that are bequeathed by the parent organization to the school (e.g. recess equipment, gym rock wall, event proceeds to purchase books or technology, etc.). Submit completed forms to your Office Supervisor.
- 2) Obtain Principal authorization prior to purchasing items for the school. Parent organizations should
- 3) Obtain authorization from Principal and Director of Facilities prior to arranging for installation of any items on campus.
- 4) GGB Forms may be submitted every three months. (Content can be general, such as \$500 donated for Teacher Appreciation.)

### **INSURANCE**

Current parent organization Certificates of Insurance are required annually to use LESD facilities for meetings and activities. The "Certificate Holder" section must read exactly as follows:

**\*\*Certificate Holder\*\***

Litchfield Elementary School District No. 79  
Employees, Governing Board and Agents  
272 E. Sagebrush St.  
Litchfield Park, AZ 85340

### **TAX RETURN**

It is important that each parent organization is aware of its own tax return due date. The Form 990-EZ is due by the 15<sup>th</sup> day of the 5<sup>th</sup> month after the organization's accounting period ends. For example, tax returns for a fiscal year ending June 30<sup>th</sup> are due November 15<sup>th</sup>. Submit a hard copy and electronic copy of all All tax returns and necessary paperwork to Director of Community Relations.

## FREQUENTLY ASKED QUESTIONS

### **Are parent organizations allowed to reimburse employees for purchasing items in support of an event?**

**Yes.** Parent organizations may reimburse District employees for school-related expenses. Strict internal procedures and controls are highly encouraged to prevent fraud and to support the parent organizations' efforts to demonstrate transparency and accountability. Submit a [Gifts, Grants, and Bequests Form](#) for all donations (cash and in-kind/non-cash).

If a parent organization is supporting District employees, either because the teacher has earned this by participating in a fundraiser, or they would like to provide a way for teachers to purchase supplies for their classroom, there are a few ways to enable that:

- 1) The parent organization may give the funds to the District by submitting a Gifts, Grants, and Bequests Form. On the form, the parent organization should specify the funds go to the Principal's Account and detail out the Gift with each teacher's name that earned the funds and the specific amount that teacher earned.
- 2) The parent organization may reimburse the teacher or staff for the amount presented in receipts for the supplies.

**Are parent organizations allowed to purchase gift cards for staff?**

**Yes.** The parent organization may purchase gift cards for staff. It is recommended the parent organization ask for the receipts once the supplies have been purchased. PTAs are reminded to consider guidelines set for by PTA in establishing programs and protocols.

**How do we handle funds from redemption programs?**

This refers to programs such as Fry's, Safeway, Wells Fargo, Box Tops, etc. If this program is set up by the parent organization to go to the parent organization, all funds should go to the parent organization. It would be necessary to clarify on the advertising flyer that these funds are going to the parent organization. If this program was set up by the parent organization utilizing the school's information, all funds should go to the school. It would be necessary to state this on the flyer that advertises the program.

**Are Student Activity fundraisers subject to the rules of the District?**

**Yes.** Student Council fundraisers are subject to approval of the Executive Director of Finance and fall under all District guidelines, policies, rules and regulations. This prevents partnerships with vendors that are not approved by the District. Because the District operates with public money, there are specific rules that need to be followed with regards to procurement for goods and services.

**May the parent organization have deliveries shipped to the District warehouse?**

**No.** The warehouse employees are not responsible for parent group ordered products. Principals may request exceptions for particularly large shipments.

**May parent organizations enter into advertising agreements with local businesses that will require banners, etc. to be installed or hung on school property?**

**No.** Site-based banner opportunities are restricted to agreements between schools and local businesses, in which case the proceeds would go to the District and be deposited in the school's Advertising Account.

**How do we get matching shirts for students or a group of students (e.g. Team Day shirts, field trip shirts, Student Council shirts, etc.)?**

There are a few ways to handle this:

- 1) The parent organization, student groups, or teachers may request students bring a shirt into class from home. Students may decorate the shirts in class.

- 2) The parent organization may purchase shirts from the vendor of its choice and distribute the shirts to students at no charge. These shirts may not contain any advertising.
- 3) Teachers, student groups, or the parent organization may encourage families to purchase shirts from a third party that manages all orders and payments (payable to the company). None of these approaches include students paying for the shirts at school. The parent organizations, student groups, and teachers are not permitted to collect money from parents or students to pay for shirts.

### **Can we sell Spirit Gear?**

**Yes.** Parent organizations may choose the vendor and sell directly to students and parents. This activity requires a Fundraising/Food Incentive Request Form.

### **Can we sell/provide food?**

**Yes.** Parent organizations may sell any type of food 30 minutes after school. At least one on-site volunteer must have a [Food Handler's card](#). No Food Handler's card is required if volunteers are serving food that is in closed packaging. Only those volunteers that will be serving food that is not packaged, such as pizza slices, are required to have a Food Handler's card. The parent organization must require proof of insurance and a valid catering license from any on-site vendors.

Smart Snack food items may be sold for the first 30 minutes before school and the first 30 minutes after school. After that, parent organizations may sell items that do not meet the Smart Snack requirements. Food items that do not meet Smart Snack requirements cannot be sold from midnight until 30 minutes after the school day.

The Smart Snack rules apply only to students. Parent organizations may provide snacks at meetings and parent-centered events (e.g. Pizza with Parents, Book Fair, potlucks, etc.). Alcohol is never permitted on any campus.

### **Can an LESD employee serve on the parent organization's Board of Directors?**

A parent organization may have no more than one District employee on its Board of Directors. The employee must serve as a volunteer outside of regular work hours. The employee may not be paid for their volunteer service to the parent organization. District employees cannot be a signer on any banking accounts and cannot have any cash-handling or financial management duties.

### **What if I need help?**

Principals and the Director of Community Relations are the primary points of support for parent organization leaders. Develop relationships to have candid conversations about what you need to be successful in your important role. They are available to help you plan, problem solve, and celebrate.

It is common for volunteer leaders to experience a wide range of emotions throughout their tenure. Know that your service is valued and your self care will help you sustain your parent organization long after your personal commitment ends. Set realistic goals, recruit volunteers and delegate tasks to get the job, and take time to celebrate every big and small accomplishment. As a leader, you have the opportunity to set a positive culture that presumes positive intent.
